

Commercial Guard - Leisure

Policy Summary

This is a summary of the standard cover available under the Ageas Leisure insurance policy. The summary does not include all the policy benefits, limits and exclusions; full terms and conditions can be found in the policy wording, a copy of which is available from your insurance agent on request. The policy, and not this summary, is the basis of the contract of insurance.

The policy is an annual insurance contract which provides a wide range of covers for businesses as detailed below. It is underwritten by Ageas Insurance Limited, with the exception of the Legal Expenses section which is underwritten by DAS Legal Expenses Insurance Company.

Standard perils under the Material Damage and Business Interruption sections include fire, specified perils, theft and accidental damage, with subsidence, ground heave and landslip available on request. The sums insured you choose must represent the full values at risk; if they do not, payments may be reduced in the event of a claim.

The standard cover may be varied to meet your individual needs and any variations from standard will be detailed in any quotation given and thereafter in the policy schedule.
